## **ACKNOWLEDGEMENT**

An endeavour over a long time can be successful only with advice and support of many well-wishers. I wish to place on record my profound indebtedness and gratitude to all those who have contributed directly or indirectly to make this project work a success.

At the very onset, I express my gratitude to God Almighty who sheltered me under his protective wings and showered on innumerable blessings throughout the period of this Master of Computer Application.

It is a great pleasure to express my sincere gratitude to Rev.Fr.Bejoy Arackal, Director and Dr.Beshiba Wilson, Principal Lourdes Matha College of Science and Technology for permitting to do this project with the fullest spirit.

I am highly obliged to Prof.Bismi K charleys Head of the Department of Computer Applications of Lourdes Matha College of Science and Technology, for being the source of inspiration throughout the course and for her valuable guidance.

With heart full of thanks, I would like to take up this opportunity to wish my Internal guide Prof.Bismi K charleys, Assistant Professor and all staffs of Department of Computer Applications for their endless support, encouragements and suggestions in various stages of the development of this project.

With immense love and gratitude, I thank every unknown member of numerous amounts of open-source communities for all the selfless works and contributions they've made. Without them and their help, I wouldn't have made it here. Finally, I wish to express my sincere gratitude to all our friends who directly or indirectly contributed in this venture.
