## **DECLARATION**

I undersigned here by declared that the project report "ROI – Face Recognition based Attendance and Alert System" submitted for partial fulfilment of the requirements for the award of degree of Master of Computer Applications of the APJ Abdul Kalam Technological University, Kerala. This submission represents my idea in my own words and, I have adequately and accurately cited and referenced the original sources. I also declare that I have adhered to ethics of academic honesty and integrity and have not misrepresented or fabricated any data or idea or fact of source in my submission. I understand that any violation of the above will be a cause for disciplinary action by the institute and/or the University.

Place: Trivandrum DON J VELLATHOTTAM

Date: \_\_/\_\_/2022

## **ACKNOWLEDGEMENT**

An endeavour over a long time can be successful only with advice and support of many well-wishers. I wish to place on record my profound indebtedness and gratitude to all those who have contributed directly or indirectly to make this project work a success.

At the very onset, I express my gratitude to God Almighty who sheltered me under his protective wings and showered on innumerable blessings throughout the period of this Master of Computer Application.

It is a great pleasure to express my sincere gratitude to **Rev.Fr.Bejoy Arackal**, Director and **Dr.Beshiba Wilson**, Principal Lourdes Matha College of Science and Technology for permitting to do this project with the fullest spirit.

I am highly obliged to **Prof.Bismi K charleys** Head of the Department of Computer Applications of Lourdes Matha College of Science and Technology, for being the source of inspiration throughout the course and for her valuable guidance.

With heart full of thanks, I would like to take up this opportunity to wish my Internal guide **Prof.Bismi K charleys**, Assistant Professor and all staffs of Department of Computer Applications for their endless support, encouragements and suggestions in various stages of the development of this project.

With immense love and gratitude, I thank every unknown member of numerous amounts of open-source communities for all the selfless works and contributions they've made. Without them and their help, I wouldn't have made it here. Finally, I wish to express my sincere gratitude to all our friends who directly or indirectly contributed in this venture.

## CONTENTS

| Content                            | Page No |
|------------------------------------|---------|
| ABSTRACT                           | 1       |
| CHAPTER 1                          | 2       |
| 1.INTRODUCTION                     | 2       |
| 1.1 General Introduction           | 3       |
| 1.2 Goal of the Project            | 3       |
| CHAPTER 2                          | 4       |
| 2.LITERATURE SURVEY                | 4       |
| 2.1 Study of Similar Work          | 5       |
| 2.1.1 Existing System              | 5       |
| 2.1.2 Drawbacks of Existing System | 5       |
| CHAPTER 3                          | 6       |
| 3.OVERALL DESCRIPTION              | 6       |
| 3.1 Proposed System                | 7       |
| 3.2 Features of Proposed System    | 7       |
| 3.3 Functions of Proposed System   | 7       |
| 3.4 Requirements Specification     | 7       |
| 3.5 Feasibility Analysis           | 8       |
| 3.5.1 Technical Feasibility        | 8       |
| 3.5.2 Operational Feasibility      | 8       |
| 3.5.3 Economical Feasibility       | 8       |
| 3.5.4 Behavioural Feasibility      | 9       |
| CHAPTER 4                          | 10      |
| 4.OPERATING ENVIRONMENT            | 10      |
| 4.1 Hardware Requirements          | 11      |
| 4.2 Software Requirements          | 11      |

| 4.3 Tools and Platforms                      | 11 |
|--|----|
| 4.3.1 Python 3.9                             | 11 |
| 4.3.2 OpenCV                                 | 11 |
| 4.3.3 Face Recognition                       | 11 |
| 4.3.4 MongoDB                                | 12 |
| 4.3.5 Visual Studio                          | 12 |
| CHAPTER 5                                    | 13 |
| 5.DESIGN                                     | 13 |
| 5.1 System Design                            | 14 |
| 5.2 DFD                                      | 15 |
| 5.3 Input Design                             | 17 |
| 5.4 Output Design                            | 18 |
| 5.5 Program Design                           | 19 |
| 5.6 Database Design                          | 19 |
| 5.7 Table Design                             | 20 |
